RE: Fax Communication-Case No. 10-33373/Adv. Pro. No. 10-3181

Dear Ms. Dennis:

Our Chief Deputy Clerk has referred to me the copy of the letter addressed to Attorney Linda Marie Battisti that you also sent to the court by fax on July 26, 2010.

It is not clear to me whether you intended the fax document to serve as a formal court filing. I understand that you are representing yourself in your bankruptcy case. And while some leeway on court procedures will be afforded to pro se debtors like yourself, we will not accept court filings by facsimile by or on behalf of any party, whether represented by an attorney or not. Therefore, I want to make sure you understand that we will not treat your letter as a formal court filing in either your Chapter 7 bankruptcy case or in the adversary proceeding that has been filed against you by the United States Trustee. Any action you want to ask me to take in your Chapter 7 case or any response you want to file in the adversary proceeding must be in writing filed with the Clerk of Court either in person or sent by first class mail.

You indicate that you cannot afford counsel. However, I encourage you to try and consult with a lawyer and also to appear here in court at the pretrial conference set in the adversary proceeding for August 11, 2010, at 1:30 p.m.

Sincerely,

Mary Ann Whipple

Dear Linda Maria Bastisti (0017046-Trial Attorney),

I received a Pre-Trial Summons from you of a case in opposition to my bankruptcy filing. It is my understanding (although I am just a simple layperson that cannot afford an attorney's services) that you are stating that I cannot file bankruptcy because it's only been 5 years since my previous discharge instead of 8? If this is indeed the correct legal policy, then please let the court dismiss my filing. I don't want to waste the Judges time or tax payers' money. I am sorry for my situation and regret my debt.

Sincerely,

 7-26-10

Rosita M. Dennis
